Attachments: ATT00001.txt; iPCB and Pigment Workshop_agenda_v3 for Workgroup review 6-5-19.pdf

TSCA Workgroup Members – also attached for this morning's meeting is the draft agenda for the TSCA workshop that the organizational committee has been working on over the past month. We would like to review this agenda this morning and solicit feedback. Our intent is to present a draft agenda to the full SRRTTF at the June meeting for input and general approval to proceed.

Thanks!

Doug

TSCA Workgroup Members – attached are the minutes from our previous TSCA Workgroup meeting on May 1st that will serve as the basis for our discussion topics for this morning's meeting. A copy of Michael Ober's presentation from that meeting is also attached. We will review the meeting notes and progress on action items for today's agenda.
